

What you get with Wellthy:

Family care for your work family

Wellthy is the leading caregiving solution for employees and their families. We provide personalized support to help individuals balance work and the demands of caring for a loved one or themselves.

CARE DASHBOARD

Helping families plan and learn

Comprehensive care planning tools and resources in one centralized, accessible place.

CARE CONCIERGE

Helping families get things done

Dedicated, hands-on support from expert Care Coordinators who get to know each family and tackle their to-dos.

WELLTHY COMMUNITY

Helping families feel less alone

Peer-to-peer platform where family caregivers can find support and exchange knowledge.

45 hrs

It's stressful! On average, family caregivers spend 45 hours per week providing care¹

1 in 5

21.3% of U.S. adults are caring for aging, chronically ill, or disabled family members²

\$38 B

Caregiving costs companies \$38 billion each year due to lost productivity, absenteeism, and retention³

“Before I learned of Wellthy, I was on the verge of considering a leave of absence from work to focus on the items needed for my family. In a very short time, that all changed.”

Deborah, on caring for her family

How a Care Coordinator can help

Wellthy supports employees and their families across the full spectrum of care. And we consider all of the variables of care including medical, financial, in-home, housing, legal, and social-emotional needs.

Wellthy can help with:

Aging

For families with aging members dealing with all kinds of life changes.

Health Conditions

For individuals and families with a tough diagnosis or ongoing condition.

Mental Health

For those struggling with depression, anxiety, alcoholism, and other mental health concerns.

Veterans Support

For our heroes and their families to get the care they deserve.

Financial Hardship

For those hard working families feeling financially strained.

Special Needs

For special families with unique and intersectional needs.

Childcare

For families who need help finding quality, reliable, and cost-effective childcare solutions.

For hard-working families, relief is near
