

# Wellthy's *Cancer Support*

A cancer diagnosis touches the whole family, and the journey often comes with countless responsibilities, appointments, and decisions. As a caregiver, your days might feel like a balancing act — being there for your loved one while managing the demands of daily life.

At Wellthy, we're here to lighten the load by taking care of tasks, big or small. From coordinating medical appointments, finding support groups to arranging in-home care — Wellthy is with you every step of the way. We provide the peace of mind and the time and energy to focus on what truly matters—being present, offering comfort, and supporting your loved one with care and compassion.

## Medical

- ✓ Organizing and maintaining healthcare, financial, and legal documents
- ✓ Identifying in-network medical providers and specialists
- ✓ Assisting with prior authorizations for prescriptions and tracking medications in the platform
- ✓ Researching alternative therapies, treatment options, and clinical trials
- ✓ Scheduling medical appointments and follow-ups

## Financial

- ✓ Uncovering financial support, alternative payment options, and grants for treatment, appointment transportation, medications, in-home care, and more
- ✓ Assisting with welfare benefits such as Disability Living Allowance, Personal Independence Payment, and Attendance Allowance
- ✓ Researching financial support resource for aesthetics, such as wigs and prosthetics

## Housing & Transportation

- ✓ Researching free or reduced-cost lodging for patients receiving treatment away from home
- ✓ Helping to find in-home aids that support care at home
- ✓ Finding and arranging reliable transportation to get loved ones to and from medical appointments and chemotherapy treatments

## Advocacy

- ✓ Seeking resources for second opinions, including employer-sponsored benefits
- ✓ Organizing and maintaining healthcare, financial, and legal documents
- ✓ Ensuring physicians have access to the most up-to-date records and test results
- ✓ Requesting copies of test results for thorough review
- ✓ Attending appointments virtually to serve as an advocate
- ✓ Finding and vetting a certified health advocate

## Mental & Emotional Health

- ✓ Exploring mental and behavioral health providers who specialize in cancer support
- ✓ Locating community and workplace support groups for individuals and families affected by cancer
- ✓ Identify mental and behavioral health providers
