

Wellthy's Support for Health Conditions

Managing a health condition, for yourself or a loved one, often involves juggling many tasks. From finding the right specialists to staying on top of treatments and appointments, there's a lot to manage. Having a trusted partner to help you stay organized and advocate for your needs can make all the difference.

At Wellthy, we provide compassionate, hands-on support to ease the day-to-day complexities of managing health conditions. Whether you need help coordinating care, handling medical bills, or finding emotional support, we're here to lighten the load.

HOW WELLTHY CAN SUPPORT WITH HEALTH CONDITIONS

Medical

- ✓ Finding and scheduling appointments with providers, specialists, and in-home aides
- ✓ Assisting with prior authorizations, prescription management, and medication tracking
- ✓ Researching alternative or complementary treatment options
- ✓ Coordinating the transfer of medical records and handling referrals
- ✓ Providing pre-appointment reminders and post-visit check-ins

Financial

- ✓ Verifying insurance coverage and navigating out-of-pocket costs
- ✓ Supporting with medical bill disputes, appeals, and resolving billing errors
- ✓ Researching financial assistance programs for treatments and care
- ✓ Locating legal resources for health-related needs and guidance
- ✓ Offering guidance on Medicare, Medicaid, and other insurance options

Housing & Transportation

- ✓ Locating mental health services and therapists with expertise in specific health conditions (e.g., cancer, Alzheimer's)
- ✓ Finding support groups and community resources for individuals and caregivers
- ✓ Connecting families with social programs and inclusive activities
- ✓ Providing guidance on managing the emotional toll of chronic illness and caregiving

Advocacy

- ✓ Attending appointments virtually to advocate for your loved one's needs
- ✓ Ensuring physicians have access to the most up-to-date records and test results
- ✓ Helping families access and understand relevant legal resources related to health conditions
