

## BACKUP CARE

# Support for those “uh-oh” moments when care plans fall through

Plans fall through — it happens! Schools close, babysitters catch the flu, caregivers call out, and even the most devoted grandparent needs a break sometimes. With Wellthy Backup Care, there’s no need to stress when an urgent care need arises.

We’ll help you find the perfect provider in your area — whether that’s a babysitter or nanny, a friendly daycare, a trusted in-home aide, or more. Search our curated network, rely on a preferred provider you already know, or let a Wellthy expert take care of everything on your behalf.

## Care for everyone

Find trusted last-minute care for kids, elderly loved ones, and pets too.

## Options that fit your family

Wellthy’s Care Network gives you options — in-home care, centers, activities, and more.

## Easy ways to plan ahead

Add favorite providers to your Backup Care Circle, a speed dial for emergency care needs.

“This is spring break week for my son, and I had to work... I was able to secure a sitter for the days I needed with no hassle. This whole process was very smooth.”
